Lyttelton Harbour Review is a 100% voluntary community newsletter initiative developed after the February 2011 earthquake by local Professionals Real Estate Agent Lynnette Baird, and Lyttelton Harbour Information Centre Chairperson Wendy Everingham.

The objective of the Lyttelton Harbour Review is to help keep local residents informed with what is going on in the wider Lyttelton Harbour community. Of course the success of the Lyttelton Harbour Review could not be possible without the ongoing support and enthusiasm from the wider community. A big thank you goes out to everyone who sends information; is willing to be interviewed by a couple of amateurs; or lets us know what might be happening in the neighbourhood. The Lyttelton Harbour Review project would not be possible without you all.

If you have an event, topic or cause that you would like to share with the harbour community, then Lynnette or Wendy would love to hear from you:

Lyttelton Harbour Tree of Hope

Donations for Families Please

Let's help our harbour communities shine this Christmas. It has been quite hard for many of us over the last three years. With all sorts of challenges and setbacks Teresa Cameron thought it would be a great idea to have a special Christmas tree for our community. "A tree to signal hope, resilience and strength for the year ahead for us all" she said.

No doubt the New Year will bring new challenges for us all, so Teresa's idea is to bring some love, joy, peace and kindness into our lives. This can start by this community donating Christmas presents under our first "Tree of Hope".

In her role at the Garage Sale Teresa has been working together with the Lyttelton Harbour TimeBank, Lyttelton Library, Community House, Lyttelton Harbour Information Centre and Project Lyttelton to make her dream a reality. The aim is we can all help our wider community by donating family gifts, non-perishable food items plus new and pre-loved items, wrapped or unwrapped under our Trees of Hope.

Anything wrapped needs a tag, for example, present for a young boy, present for a family etc. The main tree will be located at the Lyttelton Library and a smaller version will be at the Lyttelton Harbour Information Centre.

Donations will be accepted from Monday December 2 until Friday December 20. Special boxes under the trees will also enable you to nominate a person or family who you think might need some Christmas cheer. Just fill in the cards with their name and address and post in the box under the tree.

On December 20th all the community partners will meet and the gifts will be distributed based on the cards under the tree. Delivery will take place on Monday 23rd and Tuesday 24th. Any questions please call the Lyttelton Harbour Information Centre 328 9093 for more details. Thank you.

Lyttelton Main School Merger Update

Town Site and Hill Site Designations

The Appointed Board of Trustees of the Lyttelton Merged School would like to advise whanau/families where their children will be located from Term 2 of the 2014 school year. The new school will initially operate over two sites: the St Joseph's site will be known as the 'Town site' and the Lyttelton West site will be known as the 'Hill site'.

The current Lyttelton Main site on Oxford Street will become a construction site from May 2014 and there will not be any children on site during the build.

For the full update and confirmation of staffing for the new school, please refer to the latest newsletter in this copy of the Lyttelton Review.

Picture Tells a Thousand Words

TimeBank Members Around the Harbour

As we always know, all communities have the skills from within to create the things that they need.

“every street in
Lyttelton has
a TimeBank
member”

Quite a while ago Margaret Jefferies was interested in getting some of our community assets mapped. This included a wide range of things from soil types, food growing places, skills, water and so on.

TimeBank member Crile Droscher has been helping with these projects and he recently produced the first map highlighting where all the Lyttelton Harbour Timebank Members were located.

It is amazing looking at Crile's maps to see how dense the network of members is! Every street in Lyttelton has people who are members of the TimeBank.

Similarly there are many members in Corsair Bay and Cass Bay. As we go around the harbour members are also dispersed in each settlement with a growing cluster over in Diamond Harbour.

The maps just give a great overview of how dense this network of people is. Take a good look. Maybe you didn't realise you had other TimeBankers on your street.

There are over 400 TimeBank households around the harbour and the network is still growing! No wonder the harbour communities are continuing to get stronger as we all get more and more opportunities to link with each other.

Nestled into Crile's maps he also shows where other TimeBanks are around the country and the world. In 2005 Lyttelton was the only TimeBank in the country and now look how many there are!

Supermarket Opening Delayed

Due to be the first supermarket to open in East Christchurch since the February 2011 earthquake the Super Value in London Street, originally planned to be open this week, has been delayed by council consents.

Rob and Cheryl De Thier have taken over the franchised store, after the Woolston Super Value they were operating was bought by Foodstuffs. For Rob, the reopening will be a full circle, as he worked as butchery manager at the Lyttelton grocery store in 1978.

As the building is shared with the Wunderbar, there are changes that need to be made to meet new fire regulations before work can continue. Now the De Thiers are looking to open their doors in February.

Tommy Changs: Lyttelton Record Fair

Buy, Sell, Trade - December 7 from 10am

Salvation is here people! Or it will be on December 7 at Tommy Chang's Bar.

The inaugural Lyttelton record fair is upon us. Created and hosted by James at Tommy Chang's Bar, it will be a day of record crate scouring, trying to find that out-of-press Gun Club b-side or that Nick Cave 10" that your friend never sold to you back in 1999.

With the sun shining in the courtyard and music spun on vinyl, of course, by local DJ's - it will be the best music market place you have ever been.

The Tommy Chang's bar will be serving everything from ice cold New Zealand craft beers to mid-morning-pick-me-up-fix-my-hangover bloody marys, and refreshing G&T's. The Chang's Kitchen will be open with Leah Grace, the marvellous resident chef, the creator of one of the finest burgers in the world, keeping you fuelled up for a day of binge record buying.

Make sure your down to Tommy Chang's early to get all the good stuff before its snapped up. They will have stalls held by local legends, including Recordman (Paul Stephenson from Riccarton Markets) and Brett Johansen (a huge contributor to RDU and a man with amazing musical taste), maybe even a guest appearance by the ever elusive El Santo Muerto and heaps heaps more.

And selling is not to restricted to dealers and collectors! If you have got some records that are gathering dust and wanna make a quick buck off, bring down a crate, take a seat, put it between your legs, grab a cold beer and sell em to another vinyl appreciator - or trade with people you know.

Lyttelton Record Fair: its open to everyone and everything, Buy, sell, trade! It truly will be a religious experience.

Lyttelton Floatation Tank Initiative

Hello Lyttelton. We are wanting to move to Lyttelton and establish a business that we are hoping the Lyttelton community would embrace and benefit from. This involves what is called a floatation tank. It is a tool that is utilised for deep relaxation and advanced meditation purposes.

It is a fibre-glass tank, filled with a dense saline solution, so dense that somebody lying down will effortlessly float to the surface. The water is maintained at body temperature, and the tank (once the user closes the entrance and exit door), is completely dark and silent. This is the most sensory reduced environment available.

The experience has been likened to that of a 'return to the womb' - completely supportive and relaxing. There has been some incredible research into the benefits of use of the tank, including but not limited to: Deep relaxation; Increased creativity; Greater self-empowerment; as well as enabling deeper meditative states.

This is a form of therapy which is quickly gaining momentum internationally. Although currently our tank is only one of two available in New Zealand, and the only one available in the South Island for public use.

We are hoping someone in Lyttelton is interested in helping bring this venture to Lyttelton, namely through the provision of space, or may be able to advise on an appropriate and available rental property. The space to hold the tank needs to be rather specific. A garage on a concrete base that is available to be renovated for insulation would be ideal.

If you feel you can help, please contact Vicky Campion 022 340 9939 or email ucmeditationresearch@gmail.com. They are looking for a permanent space to be available from February/March 2014.

Garage Needed, Short Term

A Randolph Terrace resident is wondering if anyone in Lyttelton could provide storage for their old truck so that they can take it off the road for a period of time and prevent it from further rust damage? They are looking at building a garage over the next few years but for now would love to preserve the truck somehow. Email if you can help: s.corcoran@xtra.co.nz

29TH NOVEMBER 2013

The Appointed Board would like to advise whanau where their children will be located for terms 2,3 & 4 of the 2014 school year.

The new school will initially operate over two sites;

If your child is starting as a **new entrant** after 5 May 2014, they will be located at the Hill site. There will only be one new entrant class in the new school.

Projected class numbers for the 2015 year suggest if your child is starting as a **new entrant** in the **2015** school year they will start school on the Town site.

The current Lyttelton Main site on Oxford Street will become a construction site from May 2014 and there will not be any children on site during the build.
