## Godley House Wake

Farewell Historic Icon

Godley House, constructed in 1880, has been historical and socially significant in terms of its construction and association with early settlers.

Built as a family home by Mr Harvey Hawkins, a ship chandler, ironmonger, speculator - and one of Lyttelton's leading citizens. The land that Godley House is built on was purchased from Mark Stoddart who lived with his family, in what is known as Stoddart's Cottage. This cottage is still situated nearby behind the rugby grounds.

Renowned Canterbury painter Margaret Stoddart lived and painted in the house. Several of her most significant paintings were of the house in its garden and harbour setting.

The Stoddart family lived in Godley House until 1913 when both houses were sold to the Lyttelton Borough Council, who then named it after the John Robert Godley, who came to New Zealand for a period of two years as the Canterbury Association Agent and is known as the 'founder' of the Canterbury settlement. Godley never lived in the house.

Godley House in Diamond Harbour is of regional and metropolitan heritage significance, and is a Protected Heritage Building under the Banks Peninsula District Plan. Godley House is also registered as a Category II Historic Place by the New Zealand Historic Places Trust.

Unfortunately damaged caused by the Darfield earthquake, and subsequent February through to June earthquakes, means the much admired Godley House can not be saved. To celebrate the history of this magnificent building, all harbour residents are invited by the Diamond Harbour Community Association to attend the "Godley House Wake".

Sunday 11th September. Share food, chat about your memories, and catch up with old friends. Bring food for a shared pot luck lunch. This is an event for the whole family and the whole of Canterbury. Community Hall Doors open 11am. Lunch at 12 noon in the Hall. Gate opens at Godley House 1pm. The Community Association will provide tea, coffee, and milk. Lots of room for the kids to run around outside. Please invite your friends, visitors and neighbours to come along and make this a farewell event to remember.

**Godley House Wake**      **Sunday 11th September**

**From 11.00am at the Community Hall**  
**From 1.00pm at the Godley House Grounds.**

## Lyttelton Harbour Tourism

### What's Happening with Harbour Tourism

The Lyttelton Harbour Information Centre recently facilitated a meeting with locals with an interest in tourism to chart a path for the new season. What do we have to offer people? What needs to be created? Good news for people who enjoy visiting Quail Island. The ferry is going to start again in October. Not so good news if you'd like a Wildlife Cruise or a trip to Raipapa. The Wildlife Cruise won't start up until spring 2012 and trips to Raipapa are uncertain due to earthquake damage to the wharf.

It is also a good news story for the many Bed and Breakfast businesses that surround the harbor. In Diamond Harbour, Church Bay, Teddington and Governors Bay most businesses are up and running. Lyttelton however has few places to stay at. Dockside, Volcano Villa and The Rookery are our only accommodation places operational. Fortunately we have not lost all our local museums. The Torpedo Boat Museum survived the earthquakes well and Grubb Cottage is also undamaged. Both will be able to operate in the near future.

More and more of our food and drink businesses are opening. Great to see She Chocolat and the Governors Bay Hotel open for business. The Governors Bay Hotel is getting a facelift so go and check that out. Freeman's is also being repaired and will be open in the near future with Satchmo's and the Irish Bar also getting ready for a come back. More of the take away shops have also opened. Check out the latest port-a-com on Norwich Quay where Lyttelton Sea Foods [used to be next door to Leslies Bookshop] are re-establishing themselves.

News on the cruise ship front is not quite what Lyttelton wanted to hear. With mostly smaller ships dropping into Lyttelton the bulk of the trade is heading to Akaroa this year. For passengers who do visit our community we are creating some new guided walk experiences. If you are headed into Christchurch the main visitor centre will be relocated in the Botanic Gardens until the I-SITE at Cathedral Square is reopened. Our own Information Centre will continue to be based in the port-a-com at 65 London Street until such time the City Council are able to repair the old premises in Oxford Street.

For more Lyttelton Harbour related news also keep an eye out for our new feature within the Bay Harbour News. Every fortnight we will be producing an article for them. It's great to be invited to share Lyttelton News with a wider audience. Finally just in case you are not aware the Lyttelton Harbour Visitor Centre is run solely by volunteers. It will be up to us as a community to create our new local and visitor experiences. If you would like to help us, please get in touch at 65 London Street, we are open Monday to Friday 11.00 - 3.00pm. Or, we can also be contacted [infocentre@lyttelton.net.nz](mailto:infocentre@lyttelton.net.nz) or phone 03 328 9093.

## Matakana - Friends of Lyttelton

Community Fundraising Impacts Locally

Following the February earthquake, Matakana retailers and community raised more than \$15,000 through a sell out film fundraiser screening of *The Fighter*; an auction; and raffles at Matakana Village Cinema. The Matakana community chose to support Lyttelton, which was the home town of local retailers Ange Spechman from The Love Shack and Caro Allison of Dual, who also had a factory in Lyttelton that was damaged and demolished.

Comedians Michelle A'Court and Jeremy Elwood warmed up the 180 strong crowd before local auctioneer Ben Kloppers sold off thirteen items including a Montblanc watch worth more than \$2000; a years supply of coffee from the Love Shack; art works from the Matakana Gallery; and a concept landscape plan from The Potting Shed. Canapes and wine were supplied by Matakana Market Kitchen and The Vintry.

At the time this generous donation was gifted to Lyttelton, a letter from the Lyttelton Time Bank Co-ordinator Julie Lee expressed the community's gratitude for the fundraising effort. "We are completely blown away down here, not just from the amazing amount raised, over \$15000, but because of the sheer generosity from your community to ours. We shake, rattle and roll with aftershocks, but you know, we get by with a little help from our friends. Matakana you are a true friend of Lyttelton."

Caro Allison from Dual in Lyttelton, organised the great funding campaign for Lyttelton's earthquake recovery while she was based in Matakana. The money was collected by Project Lyttelton, with the specific request that the funds be designated for the performing arts of Lyttelton.

In recent weeks, Project Lyttelton has granted The Loons money to acquire the outdoor roof for the performance venue for MacBeth. The roof now belongs to the Lyttelton community and will provide a great asset for outdoor entertainment.

The team here at the Lyttelton Harbour Information Centre are busy exploring ways that the structure can remain in place for several months so that our community will have more options for live shows.

A huge thank you Ange, Caro, and Matakana Village residents, for enabling this to happen.

A man walks into a scientist's lab looking to buy a new brain. He asks the scientist how much the brains cost.

The scientist says, "Well first we have a normal human brain, it costs \$1000, next we have a scientist's brain, it costs \$5000, and then we come to a politician's, it costs \$10,000."

"How come the politician's brain costs so much?" asks the man.

The scientist replies, "Because it's never been used."

# ARE YOU READY FOR THE UPCOMING REFERENDUM?

## November General Elections

Important Meeting Scheduled

General Elections will be held on Saturday 26th November. And this year there is a referendum taking place at the same time. The Referendum gives you the chance to have your say on the voting system we use to elect our Parliaments in the future.

In the Referendum, you will be asked two questions:

- The first question asks whether you want to keep MMP (which is the voting system we use at the moment) or whether you want to change to another voting system.
- The second question asks which of four other voting systems you would choose if New Zealand decides to change from the Mixed Member Proportional (MMP) system:
  - First Past the Post (FPP)
  - Preferential Vote (PV)
  - Single Transferable Vote (STV)
  - Supplementary Member (SM)

In conjunction with the electoral office, the Lyttelton Harbour Information Centre has organised an information evening that will be facilitated by Pamela Dawson of the Electoral Commission:

Date: Wednesday 14th September  
Time: 7.00pm  
Where: Lyttelton Club - The Top Club  
23 Dublin Street, Lyttelton

To understand these different voting systems, visit the Elections web site:

## Lyttelton Mt Herbert Community Board

Next Meeting 29th September

Lyttelton Mt Herbert Community Board now meets twice a month. Their main meeting is still on the third Tuesday afternoon of the month, when most of the business is done. They also have a short meeting in the first week of each month, mainly to confirm the meeting minutes so when the report goes to the Council it is up to date and reflects the community's current concerns.

Anyone can talk to the Community Board about any matter of community interest for up to ten minutes at the beginning of either meeting. Phone Liz Carter on 03 941 5682 or email [liz.carter@ccc.govt.nz](mailto:liz.carter@ccc.govt.nz) to make an appointment.

### Community Board Monthly Clinics

Meet the Board Members, Tell Them What You Think

The Lyttelton Mt Herbert Community Board are hoping to maintain better communication with the people they represent by holding monthly clinics where residents can meet the Board and talk informally about any matter of community interest.

At this stage, the Community Board plan to be at the big table in the Lyttelton Library from 5pm on the second Thursday of each month, but welcome any feedback from residents if another time or place would work better. If this concept works well, the Community Board may look at increasing the frequency, and perhaps hold clinics in other communities around the harbour.

Don't hold back, have your say and meet the Community Board at the Lyttelton Library on 8th September.

### Lyttelton Harbour Network

## Neighbourhood Week

29 October to 6 November 2011

Neighbourhood Week is a week dedicated to getting to know the people who live close to you. It's about bringing people together – whether it's a small get together of a few households or a larger neighbourhood gathering. The week is an ideal opportunity to introduce yourself to your neighbours. Getting to know your neighbours can make the difference between merely occupying an address and living in a neighbourhood of friends.

## What is Time Banking?

Time Banking is a way of trading skills in a community. It uses time, rather than money, as the measurement tool. Members of a Time Bank share their skills with other members within the community and are given time credits for the work they do. With the credits they gain, each member can 'buy' someone else's time, and get the service they need.

## Why Join Lyttelton Time Bank?

Time Banking adds a richness to Time Bankers' lives. As a concept it brings 'wealth', in the form of friendship, caring for one another, having our needs met from within our own community and getting help with things we can't do. Skills that are often taken for granted are valued - especially non-market economy skills - like mothering, basic home help and caring, friendliness, listening.

In Lyttelton as a result of the Time Bank we can see a tighter community forming. Friendships are forming between people of different backgrounds who would not usually have met. The elderly are being cared for and the skills they share are valued. Special needs people are encouraged to participate. Time Banking builds relationships and trust in a community. Everyone has something they can contribute to the wellbeing of the whole.

## Everyone's Time is Equal

With Time Banking everybody's time is equal, no matter what type of work is done. 1 = 1. If you give one hour's work, you receive one hour time credit. If you have another member do one hour's work, they are paid one hour time credit. Every person is equally valued.

## Here are a few examples of what Lyttelton Harbour residents are giving and receiving this week:

I need a can-o-worm or other type of self contained worm farm please. Can I borrow or buy? Maybe one of those not being used around town? - says Paul

This is a call to all the knitters and crocheters for a giant Container Cosy in Sumner. As you probably know, Sumner streets are lined with many ugly giant metal boxes. I want to pretty them up. The first project is to make a giant Container Cosy. I will need 860 squares! Could anybody please knit or crochet me 30cm by 30cm squares? - says Christine

I have a 20kg bag of mortar available for anyone that wants it. It's not quite a full bag but very nearly. - says Suzanne

I have a whole load of glasshouse glass up for grabs. There is about three pieces in tact, but the other pieces have been bashed about a bit. If you have a use for it please come and take it all away, otherwise it will be dumped. - says Suzanne

## Can You Help? Or How Can We Help You?

If you can help with any of these requests, or would like to include a request of your own, please contact the Time Bank team.

- **Two Bedroom Home Wanted to Rent.** Christine and Kevin were living at Bridle Path Road in Heathcote, and have their son enrolled in the Heathcote Valley preschool. Their house was red-stickered after the February earthquake, and rock fall remediation in the area won't be started until after remediation has finished above Hammerton Lane. It will be anyone's guess on timeframe but they expect it will be at least another two months until they will be cleared to live in their house again (which suffered severe structural damage as well but is still liveable). They are currently house sitting in Auckland but will return to Christchurch on the night of 29 August 2011, and are looking to rent a home, with at least two bedrooms. They recently spent ten weeks in a one bedroom suite above a garage in Morgans Valley which was just too small. If you can help, Christine can be contacted on 021 2477 538, or try Kevin on 029 200 7615. If you can't get hold of them on the phone, just email Christine at [christinemcco@gmail.com](mailto:christinemcco@gmail.com)
